I think I posted this a while back, but it's good stuff. Especially now that it's summertime...

Negative on the Ochoco trip. Work beckons, and this weekend is a trip to The Alvord.

You mean you are passing up a chance to cutout logs with a crosscut in the hot summer sun just to drive out on the playa and soak in the hot springs. I hope you are going for more then the weekend, for its a long day's drive just to get there. Jaci and I usually make it out there every year. Last year there was a lot of water so you had to chose wisely or get stuck if you drove out on the lakebed, probably similiar this year. I am hoping to get out there this fall during chuckar season, if the oil price doesn't break over \$200 a barrel. Don't forget to get in on those world famous hamburgers and milkshakes at the Fields cafe.
