

# TRAILS

(Revised 1916)

This list gives the authorized designations of all trails on the Oregon National Forest with their subdivisions which must be cleaned out each spring. Use this list when reporting trail work. Percent of standard, see classification on page 8, Trail Manual.

M - Measured

E - Estimated

| MAIN TRAILS                | SUBDIVISIONS |               |   |              |             | Miles        |
|----------------------------|--------------|---------------|---|--------------|-------------|--------------|
